Disclaimer

You are encouraged to use this unofficial degree evaluation when reviewing your progress toward completion of requirements for programs of study offered at Montgomery College. This evaluation is not your academic transcript. You are responsible for understanding the graduation requirements, but are strongly encouraged to contact a Counselor or Program Advisor to discuss questions about your degree evaluation, remaining program requirements, and career and/or transfer plans. Eligibility for graduation is determined officially by the Office of Records and Registration. You will need to submit an application for graduation. Once submitted, a Graduation Coordinator will conduct an official degree evaluation and send you written notification about your graduation status.
